

CALL FOR PRESENTATIONS

The ITE Northeastern District 2018 Annual Meeting will be held May 21-23 at the Fort William Henry Hotel & Conference Center in Lake George, NY. The Technical Sessions Committee for the conference is presently soliciting technical presentations for the conference. All topics will be considered, but research or projects relating to the following topics is suggested:

- Traffic Signals
- Career Advancement
- Smart Communities
- Transportation Systems Management and Operations
- Complete Streets
- Trip Generation
- Vision Zero
- Connected and Automated Vehicles
- Transit Innovations
- Transportation and Health

The Annual Meeting provides an opportunity to share your research or projects with other transportation professionals and students from the eight states in the Northeastern District. **If you would like to present at the Annual Meeting, please send an e-mail to Jeff Lebsack at jeff.lebsack@mottmac.com with a presentation proposal including the following information:**

1. Your name and contact information
2. A brief bio
3. The proposed presentation title
4. A brief abstract/summary explaining the content and objective of the presentation

Please submit your presentation proposal by email no later than December 15, 2017. We anticipate having a draft technical program by January 30, 2018. If your presentation is selected, a full presentation package will be required by March 30, 2018

The 2018 Northeastern District Annual Meeting technical program will be developed from all abstracts received by December 15, 2017. Additional presentations may be solicited to fill sessions or topics as needed.

Please contact Jeffrey Lebsack at 716.517.2938 or at jeff.lebsack@mottmac.com if you have any questions.
